

Drama booster minutes 9/1/2011

Members present: Ruth Holt, Sherry Blanton, Rosetta Raoufi, Karen Harrison, Amy and Jim Peterson, Amy Milner, Laurel Robinson, Lorie Ellis, and Melanie Miller-Cvilikas

Members of the boosters were assigned to back to school drama classes. Their primary assignment will be to ask drama parents to write their name and email address for drama booster use. If time permits they can speak about the boosters and encourage membership in the boosters. Zoe will be asked to distribute booster membership forms on the first day of school. There will also be membership forms on back to school night.

The description of Board Positions was presented. The good news is that Anne Earnest will fill the position of volunteer coordinator and scholarship chair. There are still several open positions.

There is a mandatory parent meeting on 9/20 at 7:30 for Beauty and the Beast. Many volunteers are needed for the production. Parents of the children who have a role in the show will be asked to fill out a form as to what they would like to volunteer for. Some of the available positions include participation in set construction, front of the house, costumes, props, the collection of money etc...

Amir Raoufi is heading up set construction, Sherry Blanton is heading up front of the house and Amy Peterson is heading up hospitality. Linda and Amy are in charge of costumes.

Monday Sept 19th and Wednesday Sept 21st were designated as the days when students in the show would be measured for their costumes.

It was suggested that recruitment for ads for the program begin earlier. It was thought that we may have a better response if people had more time.

Please join HHS Drama Boosters on face book.

We will not be renting a truck for homecoming since the cost was prohibitive \$400.00. Instead we will continue to use the pick up truck.

Jim Peterson presented the budget for the season. Main stage productions are budgeted for \$6000.00. It was estimated that 50% of that money would be needed for Beauty and the Beast. At the next meeting expenses will be projected for set construction, meals, costumes, dry cleaning, etc.

Possible dates for future meetings were discussed. The next meeting will be Sept, 20th. All are invited. The meeting will follow the mandatory parent meeting.
